In delivering this service, a focus on triple bottom line performance touches all stakeholders in our quest to deliver environmental and social benefits alongside increasing economic performance.

Our integration with local society creates memorable, vibrant experiences for guests and staff whilst synchronously developing relationships, security and a model for sustainable tourism.

LAGUNA PHUKET FOUNDATION

Established in 2009, Laguna Phuket Foundation supports educational and social development of local communities, marine and natural environmental conservation, and emergency relief. Mobile Learning Centre.

In addition, the foundation supports on-going sea turtle conservation efforts by Phuket Marine Biological Centre and 3rd Area Naval Command, Royal Thai Navy, and Laguna Phuket Community English Language Centre. Foundation initiatives are funded by the generousities of Laguna Phuket stakeholders including guests, associates, community members, and our businesses.

CHILDREN FIRST FUND

Children First Fund (CFF) was established in 2017 to commemorate the 30th anniversary of Laguna Phuket as well as to build upon and extend the community services that Laguna provides in the area of education, a core aspect of Laguna CSR focus. The CFF complements Laguna Phuket Kindergarten, the Community Learning Centre and the Mobile Learning Centre by empowering the future generations.

With an objective of "Nourishing Hearts, Inspiring Dreams" to support the nutrition of needy children in Phuket orphanages, funds raised from Laguna Phuket's main events together with Laguna Phuket contribution will go to "Children First Fund". Monthly contribution of food and necessities were given to Children First Fund's program partners – the 7 orphanages in Phuket, housing more than 400 orphans and underprivileged children, throughout the year 2017. CFF will continue to support and improve the livelihood of Phuket children in 2019.
