A new website, [Nowmuaythai.com](http://Nowmuaythai.com) is now up and running, with a full range of English-language information on tours, gyms and other activities relating to the sport developed for foreigners interested in the sport, to choose courses around the country.

Muay Thai is one of Thailand's 'Soft Powers' along with film, food, festival and fashion.

The government believes this will attract many foreigners to explore Thailand's Muay Thai offering and what better place than one of the country's leading Muay Thai and MMA gyms, BANGTAO MUAY THAI & MMA.
